

UNION ELECTION NOTICE

AFSCME promised you a contract, pay raises and a union to represent you.

Now it's the middle of October, and you don't have a contract, there haven't been any pay raises, and there's no union to represent you. AFSCME is still pretending the "Blue Collar" Local 624 is "representing" the Transit Department drivers, but nothing could be further from the truth. The cost is tremendous and the City is "saving" many thousands of dollars by not giving you the pay raises you need and deserve.

It's time to do something and the NMTU is ready to act now on your behalf. Remember, NMTU has a signed contract that includes good pay raises.

The first step is to give you a chance to elect a new leadership.

Anyone who was previously a member of the NMTU or became a new Transit driver this year and wants to be represented by NMTU is eligible to vote. If you want to vote in the NMTU election, please sign the statement below. The deadline for signatures and nominations is Friday, October 24, 2008.

I, _____, state that I am a member of the NMTU or a new Transit Department driver, and I want to be represented and vote in the NMTU election.
