Re: REQUEST FOR INSPECTION OF PUBLIC RECORDS

Dear Ms. Bailey,

I represent a number of individuals and a labor union that are concerned about the City's relations with its employee labor unions. Please consider this a formal written request pursuant to the New Mexico Inspection of Public Records Act, §§ 14-2-1 and 14-2-4, et seq., for inspection of the following public records:

1. Agendas, notices, and minutes of meetings of the City's Labor-Management Relations Board ("Labor Board");
2. Decisions and orders of the Labor Board;
3. Any administrative proceeding, court case, appeal, or other legal case or litigation involving the city and one or more labor unions.
4. Collective Bargaining Agreements, Memoranda of Agreement, Memoranda of Understanding, and any other addenda or supplementation of a City labor agreement;
5. Contracts, communications, and agreements with any outside (the City's legal department) attorney or labor or management consultant;
6. Communications and correspondence, including e-mail and other communications concerning the selection of Labor Board members and the Chairperson of the Labor-Management Relations Board;

The time frame for the requested records is from January 1, 2008, to the date of the City's complete and final response. Any records available in digital format should be produced and sent to me electronically.

Although I prefer electronic delivery of records responsive to this request, I will be available over the next few weeks on relatively short notice to respond to inquiries about this Inspection request and to inspect records when necessary.

Please let me know if you have any questions or concerns. Thank you for your cooperation and prompt response in accordance with the requirements of the Inspection of Public Records Act.

Yours very truly,

*s/ Paul Livingston*
