Labor - Management Relations Board

Albuquerque, New Mexico 87103

Esteemed Board Members,

On November 19, 2003, Moises L. Ortega an organizer with Teamsters Local Union No. 492, along with a delegation of City of Albuquerque Transit Drivers, presented a letter to the Mayor's office demanding recognition of the Teamsters Union as the exclusive bargaining representative for the transit drivers, a copy of which is enclosed. We were, and still are prepared to substantiate this demand with a more than 50% showing of support from the bargaining unit.

On December 1, 2003, we received a correspondence from Ms. Barbara Martinez-Keiser/ Employee Relations Officer, instructing us to follow the procedures set forth in the City's Labor Management Relations Ordinance. We feel that the first step has been taken by submitting our request for recognition to the Mayor's office pursuant to § 3-2-6(A). The response from the City does not answer to our request for recognition, therefore we urgently seek the Board's attention in this matter. It is our understanding that under § 3-2-6(D) the Board now has jurisdiction to review our showing of interest and or hold an election to determine the exclusive bargaining representative. We look forward to the Board's reply to this correspondence and thank you for your attention in this matter.

If you have any questions, please contact me at the Local Union office (505) 344-1925 ext. 14.

Sincerely,

Moises L. Ortega
