Dear Representatives:

The next Labor Board meeting is January 23, 2004. In preparation for that meeting, the union is to submit a letter to the Board by January 15, 2004, explaining its position in the questions surrounding the representation of bus drivers. The letter should identify issues and/or requests from the union to the Board.

The union will promptly serve a copy of its letter on the management representative so that a response to the union's letter can be filed with the Board by January 19, 2004.

The Board will have these materials prior to the meeting which will help its members determine how much time to allot to this matter at the meeting.

Thank you for your cooperation.

Sincerely,

Patrick Halter, Chairman
Labor-Management Relations Board
