EMPLOYEE RELATIONS

January 20, 2004

Mr. Patrick Halter
4209 Chinlee Ave. NE
Albuquerque, NM 87111

Dear Mr. Halter:

This office received Mr. Moises Ortega's letter dated January 14, 2004. The letter was received on January 15, 2004. The City does not have a "position" on this matter. The New Mexico Transportation Association is the non-supervisory transit employees, exclusive representative even though the Association's collective bargaining agreement with the City has expired.

The Labor Board will need to address a number of questions related to this matter, including the question whether a decertification election may be conducted at this time and whether the employees will be denied the exclusive representative for one (1) year if the teamsters are successful with it's decertification initiative.

I have enclosed copies of my entire file that relates to this matter. The enclosed includes the City's certification of the New Mexico Transportation Association as exclusive representative for the non-supervisory employees.

The Employee Relations Office will be prepared to assist the Board on this matter. Thank you.

Sincerely,

Barbara Keiser
Employee Relations Officer
